

"Diva Delights" from Sophia, the Doggy Diva

Howl-oooow Sarasota Pet Divas!!!

Please allow me to introduce myself—I am Sophia, host of "The Doggy Diva Radio Show -The Show for Animal Lovers." I am an Italian Greyhound who loves to dress up in designer wear and lots of "bling."

Many of us have met already at our local shelter, animal benefits, and fashion events. For those of you who have not yet met me, I look forward to sharing my "Diva Delights" with you. I hope you enjoy them.

Life was not always so good for me. My earlier years were not so light and fun-filled; they were, in fact, full of fear and sadness. I choose not to dwell on those years, though, because my Mom and Dad changed that all that by adopting me. Now I lead a totally "diva-licious" life. I am so happy I want to share with everyone the benefits of how great it is to adopt your pets from shelters or adoption organizations.

There are so many potential companions out there waiting for an adoption to change their lives.

I am living proof. I came into a house of greyhounds, and although I was a "bit shorter" in

height, we were all the same size when it came to our hearts. We found that size does not matter when your hearts are full of love. Each of us

knew we were specially picked by our parents to share in this wonderful family. As long as we all did not mind having matching collars, leashes, dresses, costumes, jewelry, accessories, ... the list goes on and on ... we would be just fine together! We love to get dressed up, and we even have our

own closet that we share, although I have the most "bling," of course, being Sophia, the Doggy Diva!

So please remember to adopt and share the love that is out there waiting in your local shelter or adoption organization. You can find that information here in [Sarasota Pet](#).

Now that you know a bit about me, I am looking forward to sharing my "Diva Delights" from my favorite guests over the years as a radio host with you. I will not only highlight local stories, but also my interviews with national celebrities and authors, as well as Diva clothes jewelry, and much more!

Till next time!

Kisses,

Sophia
